Newsletter of JAC

EDITOR'S DESK

The month of September dawns with gratitude to teachers who shape the students – the administrators of tomorrow. Students' appreciation of the goodness of teachers, their generous portion of kindness and courtesy is greatly treasured and is to be written in golden letters – in the hearts of JAC.

Celebration of Bible Day with inspired utterances and diligent earnestness to search the scripture for competitions, to feed upon the heavenly manna elevates and sanctifies the month.

The Portals of the month of October opens with end semester tests. Students imbued with firm bright sense prepare to face the tests with vigour and mental power.

The Golden Jubilee Grand Finale celebrations of AIACHE honouring the authors of books is a resplendent achievement of JAC.

Numerous are the opportunities in November, to display the fire of the passions, the noble faculties, to aim at higher pursuits, the marvellous, fabulous and gorgeous preparation of X'mas events to be telecast in Matha TV.

As in music where different notes blend together to make a perfect chord, the activities of these three months enormously strengthened, stand blazing as a Beacon Light.

With Pure intention, unselfish effort and praiseworthy qualities JAC shines with excellence.

Let this be perpetuated!
