THE LORD'S PRAYER

Our Father, who art in heaven,
Holy be your name; your kingdom come,
your will be done,
on earth as it is in heaven.
Give us this day our daily bread,
forgive us our trespasses,
As we forgive those who trespass against us;
And lead us not into temptation
But deliver us from evil.

- Amen.

HIGHER EDUCATION POLICY OF THE SISTERS OF ST. ANNE OF TIRUCHIRAPALLI

In the last few decades, the Congregation's commitment to the educational apostolate has grown and its commitment to the higher education of young women is also increasing. In the context of existing inequalities, injustice, unjust social order, dehumanizing and massive poverty and erosion of values faced by young women, our commitment to higher education of young women is all the more relevant to bring about changes in the oppressive structures against women. So through our institutions of higher learning, we are called to give an integral formation to these young women, the poor, the marginalized and the destitute in particular, by promoting humanistic values and a humane society in which they will become agents of social change and work for the establishment of a just society. They will become principled leaders which the world does need today. The main aim of higher education must focus on the total formation of women and help them grow as responsible citizens for an active life commitment.

The motto that moves us forward in our educational apostolate and other service is: **“Serve with Love”**.

We, the Sisters of the Congregation of St. Anne of Tiruchirappalli, commit ourselves to create a new society that is based on values and justice through our institutions. Our institutions of higher learning must offer education that is creative and other-centered.
