RESEARCH PROMOTION POLICY

Research at JAC

Research activities in higher education institutions focus to contribute a broader understanding of research for the quality of teaching and student learning. Keeping view of this principle, JAC has a vibrant Research Committee that promotes an ennobling environment for research activities in the campus.

Constitution of Research Committee

Chairman : Principal
Co-ordinator: Dean of Research
Members : One faculty from each department

Objectives

- To act as a catalyst to promote research atmosphere in the campus
- To facilitate the faculty and scholars to present research papers in International / National Seminars / Conferences
- To motivate the faculty and scholars to publish Research Papers in International / National Peer Reviewed / Indexed Journals with high impact factor
- To persist the publication of Annual Research Journal - JACJOSHAM including Research Articles from other institutions
- To motivate the faculty members to pursue Ph.D.
- To encourage the faculty members with Ph.D. to get approval as research supervisors.
