**EDITOR'S DESK**

Time rolls on, events recede to the past  
 Fresh academic year usher in activities  
 Bringing forth the potentials of the teacher and the taught  
 Patterning centimes without any clattering  
 The Grand Master fails not to shower His graces and gifts  
 To the truthful and dutiful  
 Liberty, the birthright of all men born  
 Is the most desired  
 And hence should not  
 Be coveted on any grounds.  
 Liberty to India was the noble elixir  
 And what a world it has turned into  
 In the distance of nearly eight hundred and four months!  
 Once the underdeveloped has transformed into  
 The fast developing Nation  
 Blooming and fragranting  
 In Technology, Industry  
 Economy, and what not?  
 Happy will be every Indian  
 When granted the joy of  
 True freedom through the ideals of our Republic!
