Student attributes facilitated by the Institution

The college provides all the facilities to the students to develop and promote their skills through Co-curricular and Extra-curricular activities.

Co-curricular activities:

NSS, NCC, YRC, RRC and Extension programme are offered to encourage the students to be socially responsible through community services. It has aroused among the students an awareness of the realities of life and a better understanding of the problems of the people. Community service has covered several aspects like adoption of villages for intensive development work, carrying out the medical camps, awareness on eradication of open defecation, Literacy programmes, visiting patients in hospitals, helping inmates of orphanages and the physically handicapped etc. The volunteers rendered commendable relief work during natural calamities such as cyclones, floods, from time to time in many places. The volunteers have also done useful work in organising campaigns for eradication of social evils, and popularization of the nationally accepted objectives like nationalism, democracy, secularism, social harmony and development of scientific temper.

The Physical Education department organises regular practice in the morning and in the evening to develop sports and games skills of the students. It organises sports meet, intercollegiate tournaments and encourages the students to participate in District, State and National level competitions.

Extracurricular activities:

The extracurricular activities of the students are promoted through various committees/clubs/cells.

The Fine Arts Club taps out the potentialities of the students by conducting competitions and making them to participate in various competitions in the intercollegiate meets and youth festivals.

The Eco club promotes the ecological responsibilities and eco concern among the students by organising awareness programmes, conducting competitions on eco

concern and celebrating nationally important days related to eco culture. They take up the responsibilities of maintaining plastic free campus and vermi compost pits.

The Avian Club offers the members of the Club to undertake adventures outside the Campus. It also engages them to watch the fauna that visit the JAC Campus and to identify and record the species of birds.

The current events club trains the students to update their knowledge in current affairs.

The Hope club organises workshops to improve the communication skills of the students.

The Library committee organizes various programs to increase the number of users and develop the reading habit of the students. Journal Review program organized every month for each discipline helped the students to promote the usage of journals.

Consumer club creates awareness among students on consumer rights by organising awareness programmes and visit to the departmental stores.

Research Committee plays a vital role in promoting the research activities of the students. It encourages and supports them in every possible way to do research and projects. A Research Forum is organised regularly to present the research findings of the scholars.

The Minority coaching Cell cares for boosting the capabilities of the minority students. Students were given coaching for NET / SET Examination. It was greatly beneficial to them as they were based on the syllabi of NET / SET Examination.

The Placement and Career Guidance Cell offers Yeoman Service to the students of our College through Various capability enhancement programmes and thus giving them good exposure required for them to take up challenges in the future.

The Journal Club promotes the Computer Science students to share their knowledge on recent advancements in the field of computer science.

The Entrepreneur Cell instills the spirit of entrepreneurship among the promising students with a futuristic vision.

Students Service, Youth Welfare and JACSAFA motivate the young students to be conscious of their innate talents and help them prune it and nurture it further by making use of the opportunities offered in and outside the college.

Karate club trains the girl students in self-defense awareness mechanisms.

The Women Cell organizes relevant Awareness Programmes with the objective that the students should emerge as responsible and empowered women in the future.

Campus Ministry venture upon taking the students in Godly ways and uplift them spiritually.

Thus the college facilitates the students and they are encouraged to take responsibility for developing throughout their studies in this institution.
