## ABOUT THE DEPARTMENT

Since 1972, the year of its inception, the faculty of English with passion enlightens the students to enjoy literature with an aesthetic sense moulding them to formulate, understand, and fulfil their vision in life through creative processes. Since 1972, many students have walked thus far through the portals of the Department of English and they are working in all walks of life spread across the globe. On its journey towards its golden jubilee celebrations the Department of English proudly and steadily strides forward in rendering its yeoman service to the society.

## FOCUS / CONCEPT NOTE

English Language Teaching and Testing has undergone tremendous changes in the past, and changes are still in the process in accordance to the developments in all fields such as Psychology, Philosophy, Information Technology, Artificial Intelligence, Computer Science, Education, Sociology, Anthropology and Linguistics to name a few. These fields have an impact on teaching in general but with regard to English Language Teaching and Testing they are bringing in tremendous changes, therefore the need is to amalgamate the new findings in these fields with ELT so as to make the erudition of English valid as here and now. This international seminar aims to provide a platform where new ways could be identified and propagated fulfilling the new needs in English Language Teaching and Testing.
