EDITOR'S DESK

The present collegiate academic scenario is characterized by a blend of challenges and opportunities. By embracing technology, prioritizing relevant skills, and fostering inclusivity, our college is also adapting to the evolving educational landscape and empowering students for success in a rapidly changing world. It is through collective effort, innovation, and commitment to excellence that higher education can continue to serve as a catalyst for personal growth and societal progress. Our college champions quality education for all that epitomizes the true essence of inclusivity and equitable opportunity. We prioritize activities that enhance the quality of education by delivering relevant curriculum that meets the needs of a diverse student body.

Through innovative teaching methodologies, mentorship programmes, and accessible resources, we lay the foundation for a level playing field, where each individual can reach their full potential. Bearing witness to the various activities held at our campus, this issue of JAC NEWS records them and present for your view.
